To: Judy O'Meara <jomeara@colchesterct.org>

Dear Judy,
I apologize that I am doing this over email, but I didn't have an opportunity to see you at the end of the day today. Unfortunately, the position is not going to work out for me. I was unaware of the data collection requirements and I have really been struggling with the Hill script.
Thank you for the opportunity, but I will not be returning.

Sincerely,
Alison Dougherty
